

# Money and Shopping

## Matching Exercise

Match each item on the left with its correct partner on the right. Write the matching **letter (A–L)** on the line beside each number.

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_ Score \_\_\_\_\_

### 1 · Match the pairs

#### COLUMN 1 · WRITE THE LETTER

|                 |                   |
|-----------------|-------------------|
| 1 price         | <div>F</div> e.g. |
| 2 discount      | <div></div>       |
| 3 cashier       | <div></div>       |
| 4 receipt       | <div></div>       |
| 5 change        | <div></div>       |
| 6 sale          | <div></div>       |
| 7 shopping list | <div></div>       |
| 8 budget        | <div></div>       |
| 9 credit card   | <div></div>       |
| 10 refund       | <div></div>       |
| 11 bargain      | <div></div>       |
| 12 checkout     | <div></div>       |

#### COLUMN 2 · OPTIONS A–L

|                                                              |
|--------------------------------------------------------------|
| <div>A</div> a reduction in the usual price                  |
| <div>B</div> place where you pay for your items              |
| <div>C</div> something bought for a very low price           |
| <div>D</div> money given back for a returned item            |
| <div>E</div> event where items are sold for lower prices     |
| <div>F</div> the amount of money something costs             |
| <div>G</div> plastic card used to pay for purchases          |
| <div>H</div> a written list of items to buy                  |
| <div>I</div> paper showing what you have bought              |
| <div>J</div> money returned after paying more than the price |
| <div>K</div> person who handles payments in a shop           |
| <div>L</div> planned amount of money to spend                |

**How to:** There is exactly one correct match per item. Each option in Column 2 is used once. Write its letter in the box.
